GAS-HEATED

Compact, Natural Gas or LP-Heated Hot Water Pressure Washer

- Up to 9.5 GPM; Up to 3200 PSI
- Rugged Belt-Driven Pump with 7-year Warranty
- Remote Options
- Electronic Ignition
- Natural Gas and LP Models

- Industrial-grade, belt-driven High-Pressure Pump has a triplex, forged brass head with a 7-year limited warranty and U-seals for greater pump protection.
- Many Safety Features, including a rupture disk to prevent the buildup of excessive pressures or heat.
- High-efficiency Burner has Electronic Ignition standard on all models, eliminating the hassle of having to constantly light the pilot flame.
- Innovative swing-out cast iron Burner Ring makes serviceability easier.
- Rust-free, polyethylene Float Tank with stainless steel inlet filter and lowturbulence diaphragm float valve allows for high pressure application of detergent.
- During installation, Fielder's Choice allows inlet and outlet connections to be located on either end or rear of the machine.

- Removable Panels with EZ Loc fasteners allow easy access to components for repair or replacement.
- Cast-iron, bushed-bore Pulleys mean long life and easy maintenance on the high-pressure pump.
- Rugged Steel Frame painted with a polyester powder-coat finish for all-weather protection.
- Overload protected Lighted Control Switches are conveniently located for ease of operation.
- Helpful Trilingual Labels with operating instructions in English, Spanish, and French for owner and operator protection.
- Three quick-couple Nozzles are made of hardened stainless steel and mounted for ready access.

- **Tru-Tite** belt tensioning system uses an idler arm to keep the belt in-line, tensioned, and it extends the life of the belt.
- Brass, anti-syphon Detergent Metering Valve locks out air and dispenses precise amount of cleaning agent.
- Our patented Cool-Bypass* system keeps pump water temperature low while in bypass.
- Industrial-duty Electric Motor with multiple voltage options and thermal overload protection.
- Optional LanCom Wireless Remote controls the pump, burner and detergent up to 300 feet away line of sight.
- Top-of-the-line Tuff-Skin Hose, with 24-inch hose guard for burst protection and swivel swedge fitting for twist-free operation; offers seven times the abrasion resistance as other high-pressure hoses.

#LANDATOUGH Pressure Washers Built to Last - <u>landa.com</u>

WHY CHOOSE THE ENG?

If you're tight on space but have big cleaning needs, Landa's patented* ENG is the perfect machine for you! There isn't a more compact natural gas pressure washer on the market. The ENG packs a ton of features into an incredibly tiny footprint. Start with Landa's patented Cool-Bypass** system that keeps the water temperature low while the machine is in bypass mode, extending the life of the pump. Other innovative features include Landa's Tru-Tite belt tensioning system, which relies on a spring-loaded idler arm to keep the belt aligned and tensioned, reducing wear and tear on the belt; and the Fielder's Choice system, which allows you to switch the inlet/outlet connections from one side to the other, adding versatility and making installation a breeze.

Fully instrumented, the ENG's removable panels allow easy access to components.
