MP

Portable, Gasoline-Powered, Cold Water Pressure Washer with up to 5000 PSI Cleaning Power

- Up to 5000 PSI Cleaning
- Belt-Drive Landa Pump with 7-Year Warranty
- Reliable Honda Engine
- Heavy-Duty Inlet Filter
- 1/4" Steel Roll Cage

■ **5-Gallon Fuel Tank** provides up to 5 hours of continuous cleaning so you don't have to break for refueling (5000 psi model only).

■ Industrial-duty, 13 or 24 HP, gasoline-powered **Honda Engine** with overhead valves and easy-access oil drain line.

■ **Illustrated Labels** with universal graphics and symbols make operating instructions and warnings easy to understand for operator convenience and owner liability protection.

■ Rugged 1/4" **Steel Roll Cage** provides additional protection to the components as well as a lifting beam.

■ Industrial-grade, belt-drive **Landa High-Pressure Pump** has a triplex, forged brass head with a limited lifetime warranty and a market-leading 7-year warranty on the oil end.

MP-373534 with optional hose reel

■ Insulated, fatigue-free, spring-loaded **Trigger Gun** with stainless steel, variable pressure (3500 psi model) **Spray Wand** make for easy point-and-shoot cleaning.

■ Two-ply, tubed **13" Pneumatic Tires** for easy maneuvering in any terrain.

■ 50 ft. of steel-wire braid **High Pressure Hose** rated for up to 6000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun

MP-455034E
• 24 HP Honda
• Electric Start
• 5000 PSI

■ Rugged roll cage and 10-gauge steel **Chassis** is protected with all-weather-resistant epoxy powder coat paint.

■ Durable polyurethane **Battery Box** with vibration isolators for secure ride comes standard with the 24 HP model (battery not included).

■ There are many **Safety Features** including a thermal pump protector and hand brake to prevent rolling while unattended.

■ Four quick-couple **Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°.

■ **Inlet Filter** strainer protects pump from debris.

■ Easy-to-attach **detergent Injector** for convenience in applying soap.

MP Specifications

Part No.	GPM	PSI	Engine HP	Start	Pump	Pump RPM	L x W x H	SHIP WT.
MP-373534*	3.7	3500	Honda 13	Recoil	Landa	1185	42" x 26" x 30"	295 lbs.
MP-455034E	4.5	5000	Honda 24	Electric**	Landa	1845	46" x 30" x 36"	470 lbs.

* Single axle model ** Battery not included

Note: We are constantly improving and updating our products. Consequently, pictures, features, and specifications in this brochure may differ slightly from current models. Flow rates and pressure ratings may vary due to variances allowed by manufacturers of our machine components. We attempt to keep our machine performance within ±5% of listed specifications.

See back side for details on hose reel and other available options.

MPE

Portable, Electric-Powered, Cold Water Pressure Washer with up to 5000 PSI Cleaning Power

- 5000 PSI Cleaning
- Belt-Drive Landa Pump with 7-Year Warranty
- 20 HP Baldor Motor
- Hose Rated to 6000 PSI
- Rugged Steel Roll Cage

Stripping bark from logs is only one of the many applications for the MP or MPE high-pressure washers with cleaning power of up to 5000 PSI.

WHY CHOOSE THE MP or MPE

No other cold water pressure washer delivers more blasting power than Landa's gasoline-powered MP or electricity-powered MPE. Both deliver the rare—but highly effective—blasting combination of 5 GPM and 5000 PSI.

It's enough to cut salt-water barnacles from a ship's hull, rip bark off logs and strip paint from metal.

There are two models of the MPE, 230V 3ph and 460V 3ph, both of which come standard with a Nema 4 electrical box, a reliable 20 HP Baldor motor, a Cutler-Hammer magnetic starter and a 12-ft. electrical cord.

Both the MPE and MP are well known for their:

■ **QUALITY:** All top-drawer components, including reliable Landa high-pressure pump with 7-year warranty, extra-reliable Honda engines or Baldor motors, rugged steel frame and chassis and stainless steel point-and-shoot wand for cleaning effectiveness.

■ **SAFETY:** Both are certified to rigid UL-1776 safety standards, with 24-inch hose guard for burst protection and tri-lingual operating instructions for operator protection.

MPE5-50024B

MPE Specifications

Part No.	GPM	PSI	Motor HP	Electrical	Amps	Cord Length	Pump	Pump RPM	L x W x H	SHIP WT.
MPE5-50024B	5.0	5000	20	230V 3 ph	48	12 Feet	Landa	1845	42" x 26" x 30"	480 lbs.
MPE5-50024C	5.0	5000	20	460V 3 ph	26	12 Feet	Landa	1845	42" x 26" x 30"	480 lbs.
